Susan/Dave/Monica,

Please review the attached file. The column on the left-hand side of the attached page are the R7 WERG and CL's that are already deployed. Those individuals highlighted in green can (middle column) can be ordered up by R6 for the next round of Community Liaison positions.

If it works for you...It might be good for us to have a R6/R7 call today (before 5:00 p.m.) or tomorrow to discuss availability and anticipated deployment dates for the next round of CL's. That would allow R7 to make travel arrangements tomorrow (in case you will need anyone deployed to Harvey on Monday or Tuesday).

I do not plan to have anyone staffing the R7 REOC on Saturday or Sunday. Adam or I will be available by cell phone.

Thanks

Ken
